Mobile Career Center to Assist Job Seekers in Hamilton

MONTGOMERY- Beginning Monday, the Alabama Career Center System will deploy its mobile Career Center to Hamilton to assist in taking online applications for the 3M Corporation in Guin. The mobile Career Center will be located at the Bevill State Community College – Hamilton campus to provide additional computers for applicants applying for the 3M production positions.

Individuals can also apply at the Fayette Career Center, located on the Bevill State Community College - Fayette campus. The online applications must be completed by the applicant and basic computer skills are helpful. A high school diploma or GED is required along with at least six months of manufacturing experience.

Due to application volume, applicants are asked to arrive on the day of the week assigned to them based on the first letter of their last name. The list is included below. For questions, please call 205-921-5672.

March 28 – April 1st
